To,
Rev. Fr. Martin Barta,
Mass Administrator,
Church in Need
Germany.

Dear Rev. Fr. Martin Barta,
Greetings to you from Khulna, Bangladesh.
On behalf of the Khulna diocesan priests I sincerely express my gratitude and thanks for sending mass intentions. We have received euro 8.840 for 700 + 40 masses from your organization. It is great help and big support to our priests. They are getting 3 or 4 mass in a month to celebrate from our local people. In some parishes they are not getting even three or four mass in a month.
It would be great support to maintain their daily life and their personal expenses. In our country we don't get any support from our government. We have very small church collection on Sunday. In village parish we get three to five hundred taka in a month that means euro 3.25 to 5.20.
Please extend our thanks to respective donors. Our priests will offer all these masses in the intention of donors. I assure you that they will faithfully celebrate all masses. Please pray for us. Be assured in our prayers.
With my best wishes, I remain,

Devotedly Yours in Christ,

Most Rev. James Romen Boiragi
Bishop of Khulna Diocese.
