Dear Father Marin Barta,

It is with great appreciation that I write this letter in order to thank you very much for the timely support extends to the priests of the Diocese of Galle with Mass stipends.

I am too one of the beneficiaries and you have been continuing to send Mass stipends for which I personally want to thank your good self sincerely for the same.

As a missionary diocese with only 8000 Catholics who cannot afford to support their priests, this help certainly goes a long way in our missionary work.

Once again thanking you personally and Church-in-Need in general for this kind gesture and assuring you of our prayers, I remain.

May we meet Jesus in our missionary endeavors!
Sincerely yours in Christ,

.....

Procurator
